Wine Tasting Experience

Visit at Palivou Estate

Discovering wine tourism...

Palivou Estate, inaugurating a new era, focused on discovering this experience, which will offer the visitor a completely different aspect in his tourist wandering. Thus, it invites you to its hospitable winery, in Ancient Nemea.

Only 127km-an hour's drive from Athens, on the way from Korithos to Nafplio and Tripoli, in the area of Nemea, lies the biggest vineyard of the Balkans, the "Bordeaux of Southeast Europe", with vineyards of 25.000 stremmas.

800 meters from the imposing archaeological site of Ancient Nemea lies Palivou Estate, a small and hospitable winery, built in the family owned vineyard. The best way to get accustomed with the process of producing the famous wines of Nemea is to follow us on a trip through the vineyard and the vine culture, where everything begins and continues into the aging cellar of the Estate, where the 300 French and American oak barrels are located.

Semeli Estate

In 2003, Semeli built a modern, stylishly designed winery set amidst company-owned vineyards in Koutsi, Corinthia. This state-of-the-art 4,000m² facility, is a benchmark winery at a national level both in terms of innovative layout and excellent services. Designed with respect for the natural environment and built on a vineyard covered hillslope with a long reputation of producing vintage grapes, the Semeli winery reflects our holistic approach to modern winemaking.

Blending traditional values with the latest advances in viticulture, our winery uses a gravity-fed process that takes full advantage of the sloping terrain. From pressing to barreling and then on to bottling, the entire process relies on the force of gravity rather than on mechanical methods that may damage the grape. Moreover, by reducing grape temperature to 7-8°C prior to crushing and then carefully controlling both temperature and humidity throughout the facility, we are able to minimize oxidation and promote fermentation under ideal conditions.

Semeli Estate Opening Hours for the public:

Daily from Monday to Friday: 10: 00–16: 00

Weekends: 11: 00–17: 00
